

Dr. Stephen M. Busch
Chesterfield Ophthalmology, P.C.
2385 Colony Crossing Place
Midlothian, VA 23112
804-739-2220

Postoperative Cataract Instructions

1. Keep patch and shield in place until your appointment at my office in the morning.
2. Take Tylenol or Motrin (Advil) for any pain; if the pain is not relieved, then call me: 739-2220 or cell/voicemail 651-5999
3. Avoid any heavy lifting or bending for one (1) week.
4. Bring your drops to my office the first day after surgery.
5. Any questions or problems, call 739-2220.
6. Use medications as directed.
7. Don't drive the day of surgery or while taking narcotic pain medications.
8. Do not drink alcoholic beverages for the next 24 hours or while taking narcotic pain medications.
9. Do not make any important decisions or sign important papers for 24 hours.
